

Miniclips

Need a quick video to help teach a topic? ClickView's Miniclips are short, engaging, and easy-to-understand videos that each cover an explicit outcome from the Australian Curriculum.

Miniclips use a wonderful mix of real-world footage and animation to captivate your students, and each video comes with a wide array of additional resources to engage all learners and support teachers.

Download a sample of our [Teacher Packs for Miniclips here!](#)

Miniclips cover outcomes ranging from **Foundation Year** to **Year 7**.

Subject areas include **Science, Mathematics, English, History, Geography, PDHPE, Design and Technology, Digital Technologies, Media Arts** and **Music**.

Watch the latest Miniclips trailer below!

Can't play the video? [Click here](#) to watch it in your browser.

Engage young students with interactive videos

Miniclips are also interactive, allowing your students to answer a variety of questions as they watch each video. These interactive questions can also be printed as a worksheet, enabling you to use them regardless of how many devices your class has access to.

Junior Primary

English

Grammar: Adjectives
 Grammar: Conjunctions
 Grammar: Nouns
 Text Types: Imaginative
 Text Types: Informative
 Text Types: Persuasive
