

Library Skills

Using the Catalogue

Library Sleuth

Find and record an item that meets each of the criteria below in your school or college library. You should use your library catalogue as well as searching the shelves.

For an extra challenge, compete with a partner for the quickest time to complete all eight criteria, or impose a time limit.

1. An item with the classification number starting **575.1**

Title: _____

2. An item with the classification number **F SMI**
