## Billy Elliot

### Character Profile

Select a character from *Billy Elliot* and complete their profile by following the instructions below.

Use descriptive words:

- inside the head, to show what the character thinks;
- across the shoulders, to show the burden(s) the character carries;
- in the chest, to show what the character feels;
- down the arms, to describe what the character does;
- down the legs, to describe where the character is going.

In the speech bubble, write what you believe to be the character's most important or revealing quote.

In the shaded area below, write other quotes by or about the character that represent them as a person.

At the bottom of the page, briefly summarise the character using some of the words you have included on the page.
