Group Work Evaluation

Your name: _____

Date: _____

1. Briefly describe the assignment you worked on as a team.

2. List the team members, including yourself.

3. How well did your team work together? Well Okay Poorly

4. Do you feel your talents and abilities were well utilised by the team? Yes No

5. Did one student act as the leader of the group? If so, who was it (this could be you)?
If not, write 'shared'.

6. What score would you give your team for its work? _____

Now, you will assess your own performance within the group.

I put in good satisfactory poor effort for this project.

I did more than about less than my fair share.

I was very somewhat not very good at listening to others.

It was easy okay difficult for others to work with me.

I fulfilled most some few of my responsibilities.

I was very somewhat not very open and honest.

I was mostly sometimes rarely respectful of others.

Would other students want to work with you on another group project? Yes No

What score would you give yourself for your work on this project? _____

A strength of yours is _____

An area that you could improve is _____

Next, you will assess your peers' performance within the group.
