

A Midsummer Night's Dream

Theme: Dreams

Live the Dream: Becoming the Characters

Role-play and hot seating

Make a list of three questions you would like to ask one of the following characters: Titania, Hermia, Demetrius, Helena, Puck, Oberon, or Bottom.

Make sure that your questions are open-ended, which means that they cannot be answered with a simple 'yes' or 'no'.

a)

b)

c)

One person in the group/class should volunteer to become a character and answer the questions asked. The character, or the teacher, can select the questioner. The student in the hot seat should answer the questions in character, meaning they need to imagine what the character would say.
