A Streetcar Named Desire in Context

Character Profile

Select a character from *A Streetcar Named Desire*, and complete his/her profile by following the instructions below.

Use descriptive words:

- inside the head to show what the character thinks;
- across the shoulders to show the burden(s) the character carries;
- in the chest to show what the character feels;
- down the arms to describe what the character does;
- down the legs to describe where the character is going.

In the speech bubble, write what you believe to be the character's most important or revealing quote.

In the shaded area below, write other quotes by or about the character that represent him/her as a person.

At the bottom of the page, briefly summarize the character using some of the words you have included on the page.

Character's name: _____
