

Women of the Ancient World Greece: Democracy and Gender

| Women's Clothing

1. Research women in ancient Athens and find out:

- What kind of clothing they wore
- What sort of education they received
- The age at which they were typically married
- What rights they had
- How they were viewed and treated

Draw or attach an image of an ancient Athenian woman, making sure that it is historically accurate according to your research, and annotate it with the information that you have found.

2. Research women in ancient Sparta and find out:

- What kind of clothing they wore
- What sort of education they received
- The age at which they were typically married
- What rights they had
- How they were viewed and treated

Draw or attach an image of an ancient Spartan woman, making sure that it is historically accurate according to your research, and annotate it with the information that you have found.
